

Chief Executive Officer

We are on the hunt for a passionate and motivated leader to lead the Empowered Together team.

Empowered Together is a non-for-profit organisation that works towards the peer led primary prevention of sexual violence. Our vision is a world where sexual integrity is respected, sexual violence is taken seriously and those who have experienced sexual violence receive the support they need to heal.

We are youth run and seek to engage this generation to lead the change. Our two main operations include running workshops on consent and sexual violence in secondary schools, universities and community organisations, and engaging the wider community through our online platforms.
